

Your Generosity Feeds the Future!

A multi-denominational,
faith-based charity
located in & serving the low income
population of Beaver County, PA

www.thecenterforhope.com

Our Mission

**“To help our Beaver County neighbors in need to break
the bonds of poverty and lead independent lives.”**

Christian love is at the heart of all that we do. Our clients are taught God's love as our volunteers lovingly and compassionately minister to their needs. It is our belief that the basic needs of families and adults must first be met in order to help maintain the human dignity of our clients.

Only after these primary needs are satisfied can other enrichment programs be meaningful. With that in mind, the Center for Hope provides many programs to help our clients meet the basic needs of food, clothing, health and family services.

1800

Average Kids Snack Bags
Distributed per Month

1100

Individuals per month
fed through our Food Pantry
